As you are aware, the undersigned is the attorney for the Borough of Upper Saddle River. My prior letter dated July 18, 2017 detailed that the placement of the devices and strips on utility poles intended to establish an Eruv violates Section 122-17G of the Borough Code. The Borough has consistently and uniformly enforced this Ordinance by removing items placed on utility poles contrary to this Section.

This established policy permits the Borough to remove the devices relating to the Eruv immediately. However, I have been directed by the Governing Body to advise that, as a courtesy, the Borough will withhold removing the devices until 12 noon on Wednesday July 26, 2017. If these items have not been removed by that time, the Borough will act to remove these devices, materials and items. Please be guided accordingly.
