Dear Teaneck Voter:

Due to a programming error by the mail house (outside vendor), some Teaneck Voters were inadvertently sent a ballot with incorrect candidates for the House of Representatives for the November 3, 2020 General Election. The County of Bergen sincerely apologizes for this machine error.

I have been in contact with John Hogan, Bergen County Clerk, regarding the incorrect ballots sent to 6,867 Teaneck Voters, and the steps being taken to correct this issue. Bergen County has identified which Teaneck Voters were impacted and they have already started the process of reprinting all supplies needed to re-send ballots to those voters as soon as possible.

We anticipate, by weeks end, that all affected voters will receive a brand new ballot with the corrected Congressional District. Please monitor your mailbox for your ballot which will be marked with the words "CORRECT BALLOT" on both the Outer Envelope and the Return Envelope. The ballots themselves have also been re-printed to say "Correct." Please complete and return the correct ballot, even if you have already cast the previously issued ballot.

The Board of Elections has been made aware and already has procedures in place for replacing the old ballot with the correct ballot for the impacted voters who may have already cast their vote.

My office will be putting out a reverse (robo) telephone call only to the Teaneck voters who received an incorrect ballot.

I encourage everyone to use the secure voter ballot drop box located in front of the main entrance to the municipal building, 818 Teaneck Road. Please look for the large electronic display board in the parking lot which will direct you to the voter ballot box.

Teaneck has 28,000 voters and is split into two congressional districts, the 5th and 9th. For a copy of Teaneck's election district map, please visit our website at www.teanecknj.gov. Click on the "Residents" tab, and "Teaneck Map" for this document. Please email clerk@teanecknj.gov or call 201-837-1600 extension 1025 for assistance.
